Martino Longo

Lefay SPA dishes  have been created in cooperation with Lefay SPA Scientific Committee; slightly low-calorie and low-sodium, the dishes do have detoxifying properties and are prepared with cooking methods that may not excessively stress the digestive system. Our meals may contain allergens. For further information please contact our Staff.

The fish meant to be eaten raw is subjected to a blast chilling preventive treatment according to the rules prescribed by EC Regulation 854/2004. In order to assure the hygiene and food safety and the organoleptic properties of the product, our preparations can be subjected to blast chilling.
