

LEFAY RESORT & SPA DOLOMITI:
RESERVATIONS FOR AUGUST 2019 ARE NOW OPEN

2nd April 2019 - Lefay Resort & SPA Dolomiti will open its doors on 1st August. Reservations for wellness holidays at the new mountain spa resort - situated within a UNESCO World Heritage site – open today. This is the second luxury resort in the Lefay Group.

LEFAY RESORT & SPA DOLOMITI

The new Resort stands in the ski area of Madonna di Campiglio, in Pinzolo, the largest town in the Rendena Valley. The area features 150 km of slopes, 4 snowboard parks and a single pass valid for the entire ski area, the biggest in Trentino, which is known for hosting international competitions such as the Alpine Ski World Cup.

LEFAY SPA DOLOMITI

Covering an area of over 5,000 sqm (53,820 sqft), Lefay SPA Dolomiti is one of the largest spas in the Alps. The spa runs over four levels: the wellness area for families with a heated indoor and outdoor swimming pool and the family sauna; the World of Water and Fire reserved for adults, featuring the indoor training pool, a large whirlpool and nine saunas; the Fitness Centre open 24 hours a day, offering a large gym with Technogym® equipment; studios overlooking the garden, for rebalancing activities; and an entire floor dedicated to treatments.

The extensive sauna area has been designed according to the Lefay SPA Method principles, that combine Classical Chinese Medicine with Western scientific research. An energy and therapeutic path leads from the Centre to five different stations with symbolism to evoke the rhythm of life and its various stages. With different levels of temperature and humidity and dedicated phyto- and aromatherapies, the circuits are customised according to the energy levels of the Guests.

The Signature treatments have been created by the Lefay SPA Method Scientific Committee and include energy massages, energy aesthetic rituals and a number of treatments using local scents of the forest and alpine flowers. The menu also includes non Invasive aesthetic medicine, a medical section, à la Carte SPA and a proposal dedicated to couples, with rituals in the exclusive Private SPAs inspired by the alpine atmosphere and the natural elements of the mountains.
