Treetop tranquility: The spa at Puerto Rico's Dorado Beach, a Ritz-Carlton Reserve.

Taurus

APRIL 20 - MAY 20

Taurus – the bull – can be stubborn. But that fervent quality equally appears as loyalty, faithfulness, and devotion. This earth sign also embraces sensuality and a love of comfort, luxury, and pleasure. Indulge your sybaritic leanings at one of the many hotel and cruise-line spas devoted to extreme pampering. Visit Spa Botánico at Puerto Rico's Dorado Beach, a Ritz-Carlton Reserve to design your own aromatherapy from its herbal apothecary, get a **treehouse hammock massage**, or bathe in pools shrouded by tropical

plants. On Celebrity Cruises' voyages, spend shipboard days detoxing in an aromatic steam room and **herbal sauna** at the line's Canyon Ranch spa.

YOU'LL ALSO LOVE: Seek spa pampering at the 88-room **Lefay Resort & Spa Dolomiti** in Pinzolo, Italy, where an individualized course of sauna baths, **saltwater-lake immersions**, and plunges in ice and heated pools is designed to balance your energy. *Doubles from \$355; Virtuoso travelers receive breakfast daily, a 50-minute massage, and a complimentary dinner.*
